

MAKING STARS IN EDUCATION!

For the fifth year in a row, the *Prize Posse* rode into town and made many Humble ISD educators very happy! On Friday, May 7, 2004, the Humble ISD Education Foundation concluded the year by awarding a total of \$204,009 in grants to educators on thirty-one campuses. This total award includes \$162,467 awarded on Prize Posse Day and \$41,542 awarded in designated grants throughout the 2003-2004 school year.

Several months of events that lead up to this exciting day in May. In March, Humble ISD educators submit their ideas for creative educational projects. A committee of community members then reads all of the applications and selects the award-winning projects.

Our *Prize Posse* included directors and donors of the Education Foundation. Additionally, several local businesses and corporations showed their support for the Foundation by sending a representative from their organization to "ride the bus" on our special day. The *Prize Posse* spent the day traveling all across the school district, arriving unannounced to the award-winning teachers' classrooms, surprising them and their students with the great news!

Congratulations to all of our grant winners for their dedication in promoting excellence in education!

2004 Innovative Education Grant Winners

Primary Contact	Campus	Title	Amount Funded
Gina Daigle	All five middle schools	Journaling with a Twist	\$1,625.00
Michelle Nance	All five middle schools	Dynamic Explorations in Mathematics	\$8,212.65
Sandra Newton	AMS	Art Cars and Kiddos	\$600.00
