BRYCE BURCH

Humble High School, Class of 1998

Bryce Burch is a proud Humble High School graduate of the Class of 1998. Since graduating from high school, he has represented himself and Humble ISD with excellence. He is a humble man with a servant's heart and cares deeply about his community.

He attended Houston Baptist University, where he graduated in 2002. During his time there, he was a four time Scholar Athlete on the HBU Husky Basketball team and an avid member of the Fellowship of Christian Athletes. During his time at HBU, he accumulated many accolades including the Ryan Bailey Hustle Award (1998-1999), Robbie Robertson Athlete of the Year Award (2001-2003), All-American (2001-2002), President's Award (2001-2002), and Mr. HBU 2002. Bryce ranked 15th in career rebounds with 625. In 2010, Bryce was inducted into the Men's Basketball Hall of Honor.

Bryce's college career then led to a professional basketball career overseas, traveling all over the world. He played from April 2003 to July 2010 in many different countries, including Australia, Czech Republic, France, Germany, Ireland, Italy, Luxemburg, Northern Ireland and Spain. During his travels, Bryce led student athlete camps to help develop young basketball players.

Upon his return from overseas, Bryce and his wife, Jennifer, began a family. Two of his three children are elementary age and attend school in Humble ISD. As his personal life changed when they began a family, so did his professional work. Bryce began a career in finance and was a Financial Advisor/Field Director at Northwestern Mutual from July 2010-July 2020. Bryce then began his own wealth management group in July 2020, Three Cords Wealth Management. Bryce enjoys working with people and making a positive impact on his community.

Bryce has served on the East Houston Fellowship of Christian Athletes Leadership (FCA) Board from 2014-2022. Bryce leads the 6th grade boys Bible Study group at Second Baptist Church - North Campus. He is the current East Houston FCA Leadership Board Chairman. In addition, he has been coaching in the community with KASC, Upward, Project Hoops and the YMCA. Bryce often meets with Humble ISD school administrators to help develop FCA huddles on campuses. He enjoys speaking with students and student athletes to motivate them to be successful and strive to make life goals.
